Time Factor

The time required for Application Forms to be forwarded from a theatre of operations outside the UK to CMHQ for recording and then despatch to Bank of Canada or Department of Finance, Ottawa, is necessarily long and uncertain but every endeavour is being made to eliminate delays. Normally Outright Purchasers should not expect to receive delivery advices earlier than four months from date of application, while Instalment Purchasers should not expect to receive the photostat in less than three months after completion of sixth and final payment. This time factor should be clearly understood as it is possible that another loan campaign may be in progress before Instalment Purchasers are in receipt of delivery advices of the previous one.

Enquiries

In cases of doubt as to delivery instructions or concern as to the whereabouts of bonds, enquiries by purchasers should be addressed directly to the Canadian Army Victory Loan Committee, NDHQ, Ottawa, Canada.
